The Chartis Group, a leading healthcare advisory and analytics firm, announced today it has been honored with three Best in KLAS awards, demonstrating its client impact and satisfaction. KLAS, a national healthcare IT data and insights company, recognized Chartis as the best Overall Healthcare Management Consulting Firm and the leader in Financial Improvement Consulting and Clinical Optimization.

Best in KLAS recognition is given to service providers for outstanding efforts to help healthcare professionals deliver better patient care. KLAS data and reports represent the combined opinions and experiences of provider and payer organizations comparing how their vendors, products, and/or services perform when measured against objectives and expectations.

"Winning three Best in KLAS awards is a significant achievement," said Greg Maddrey, President of Chartis Consulting. "This recognition is a direct reflection of client feedback across many engagements and practices. We are proud of what these awards represent: that we are truly delivering on our mission to materially improve healthcare in the world. Our clients have validated that the insights and services we provide support healthcare organizations in achieving their highest objectives."

Chartis earned Best in KLAS recognition as the best Overall Healthcare Management Consulting Firm, which is given to the firm with the highest client satisfaction score across all management consulting categories combined. With over 90 client interviews conducted, Chartis received an overall KLAS client satisfaction score of 94.8 and scored above 90 across all categories. According to the report, Chartis leads the industry in Financial Improvement Consulting and Clinical Optimization.

Chartis earned high scores among KLAS vendors in the following evaluation categories:

- Overall Healthcare Management Consulting Firm
- #1 in Financial Improvement Consulting
- #1 in Clinical Optimization
- #2 in Implementation Leadership – Small (teams of <15 consultants)
- #3 in HIT Advisory

"Each year, thousands of healthcare professionals across the globe take the time to share their voice with KLAS," said Adam Gale, President of KLAS. "These conversations are a constant reminder to me of how necessary accurate, honest, and impartial reporting is in the healthcare industry. The Best in KLAS report and the awards it contains set the standard of excellence for software and services firms. Vendors who win the title of 'Best in KLAS' should celebrate and remember that providers now accept only the best from their products and services. The Best in KLAS award serves as a signal to provider and payer organizations that they should expect excellence from the winning vendors."
