After peaking in 2019, healthcare mergers & acquisitions activity is once again accelerating. Rapid market evolution is driving the need to evaluate new and existing partnerships as part of your organization's partnership strategy.

Critical for success is placing substantial emphasis on capturing the benefits of new and existing affiliations alike. Yet, realizing true value from consolidation remains elusive.

In this exclusive webcast with HFMA, Chartis Directors [Ann Edwards](#) and [John Wiest](#) discuss critical steps to value realization on the post-merger integration journey.
